NEWSLETTER – SEPTEMBER 2023  
GRADE – 2

In the global world, the importance of English cannot be denied and ignored. With a good understanding and communication in English, we can travel around the globe. Although learning English can be challenging and time-consuming, we see that it is also very valuable to learn and can create many opportunities. The prime focus of PAIS is to make students read fluently and comprehend as well as flow while communicating in English. Added to the efforts taken in school, *Reading & Spoken English HW* is also assigned to make sure the children get time to circle back and give it another shot with their parents.
