IHC - 4- JEWELLERY MAKING COMPETITION

An activity that requires some degree of planning, such as making patterns from beads, choosing colours for a bracelet, or deciding what to make for a craft, are all fantastic for helping children to develop their visual-perceptual, skills cognitive skills, creativity and problem-solving skills. Children from grade 3 to 5

enthusiastically participated and enjoyed making jewellery.

IHC- 5-“SPREAD THE COLOURS” ONAM SPECIAL RANGOLI COMPETITION

Onam is the most popular festival of Kerala .To mark this festival, Grade 3 to 5 got a chance to showcase the skills of students who exhibited their team spirit and came out with rhythms of colours & flowers of art. The competition was conducted on Saturday, 26th August for classes 3 to 5.

INAUGURATION OF TECHTONIC LAB:

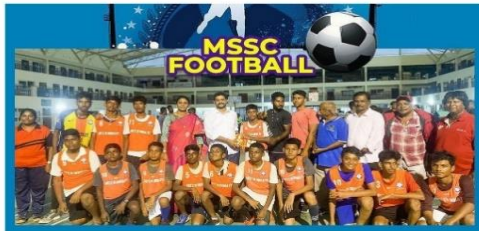

On August 3rd, TECHTONIC LAB was inaugurated for 5th to 8th graders to grow into Coding Experts. The pride guests Ms.Saranya Sethuram & Ms. S. Pavithra Manoj commenced the opening ceremony.

THEATRE CLASSES FOR GRADES 3 to 5

“Movies will make you famous; Television will make you rich; But theatre will make you good.”— Terrence Mann.

Why do we provide theatre classes for kids in PAIS?

In PAIS, we concentrate more on the holistic skill development of the kid than marks. Anugrahans were given an orientation program by Our Theatre Studio Performing Arts Theater in Koramangala, Bengaluru, Karnataka.

PAIS felt its proud moment to host the **MSSC Inter-School Football Tournament** on 10th and 11th of August to develop Harmony and a Healthy sporting environment among the Schools. Nearly 19 schools and 46 teams participated to compete in this tournament. PAIS football players of the under 14 & under 17 categories were ice cool and

won the match- a showcase of grit and composure.

ANUGRAHANS CELEBRATING INDIA'S FOOTPRINTS ON MOON!!!!

A small step for man and one giant leap for India! A very proud moment for all Anugrahans as they watched the live relay once again in the school as Chandrayaan 3 touched down on the moon, the mission that could cement India's status as a global

Superpower in space. Students shared their views on why it's such a big deal in the race to unravel the mysteries of the Moon's South Pole.
