

PARVATHY'S ANUGRAHAA INTERNATIONAL SCHOOL
NEWSLETTER – SEPTEMBER 2023
GRADE – 3

In the global world, the importance of English cannot be denied and ignored. With a good understanding and communication in English, we can travel around the globe. Although learning English can be challenging and time-consuming, we see that it is also very valuable to learn and can create many opportunities. The prime focus of PAIS is to make students read fluently and comprehend as well as flow while communicating in English. Added to the efforts taken in school, *Reading & Spoken English HW* is also assigned to make sure the children get time to circle back and give it another shot with their parents.

Brad Henry rightly said, "A good teacher can inspire hope, ignite the imagination and instill a love of learning."

Teacher's Day is undoubtedly one of the most awaited events on the School calendar. Keeping with the annual tradition, Teacher's Day was celebrated at our School, with a special assembly conducted by the Grade 10 students as a befitting tribute to

their beloved teachers on 5th September. The celebration began with Secretary, Mr. SRIDHAR elaborating on the crucial role that teachers play in students' lives. The students put up a humorous skit recreating some magical moments of school life. This was followed by wonderful dance programs. It was surely a day to remember!
